To Whom it May Concern,

I highly recommend Chris Holland as a candidate for a teaching position. I have worked with Chris in my position as director and owner of KERIC Global Education Network since March of 2004. During his two year term as a full time teacher with my company, he has proven himself to be a valuable asset to our school and will be sorely missed when he leaves our school.

Chris is an energetic, friendly young person with a strong willingness to work enthusiastically, both independently and as a team member. He has demonstrated an inspiring ability to capture the interest of students of all ages. He is able to motivate his students as well as modify lessons to meet the needs of each individual student. Chris easily overcame the challenge of teaching in a foreign country and has adapted well to cultural differences both personally and professionally. His ability to connect with his students and his talent for teaching a diverse array of subjects is second to none.

Chris has excellent written and verbal communication skills and is extremely organized and reliable. He can work independently and is able to follow through to ensure that the job gets done. He accomplishes these tasks with great initiative and with a very positive attitude.

Chris has been a model employee and I can honestly say that he will be a great addition to any school. If you have any further questions with regard to his background or qualifications, please do not hesitate to contact me.

Sincerely,

Kap Soo Kim
